S.N. 113. Letter No. 103/127, dated the 11th April, 1930, from the Residency Surgeon, Bangalore.

Please see nature of S.N. 108 and 109 in which sanction was accorded by the Government of India to the entertainment of one Lady Sub-Assistant Surgeon on pay Rs. 75-5-175 pl compensatory allowance Rs. 10/- per mensem for Hajee Sir Ismail Sait's Gosha Hospital. As the new private wards are nearing completion, the Residency Surgeon, Bangalore asks for the sanction of the Hon'ble the Resident to the entertainment of the above Lady Sub-Assistant Surgeon fr the 1st June, 1930.

Necessary provision has been made for the purpose in the current year's Assigned Tract budget estimates.

Letter No. 415/55, dated the 27th May, 1020, from the Residency Surgeon, Bangalore.

A reference is invited to S.N. 103 and 104 and office notes thereon in paras 6 to 10.

In July, 1925, Colonel Standage recommended that Sub-Assistant Surgeon M.K.Bhopaul might be promoted to th selection grade on Rs. 200/- per mensem. The Hon'ble the Resident declined to promote him to the selection grade which the Government of India did not sanction for the Sub-Assistant Surgeons in the Bowring and Lady Curzon --- Hospitals.-Vide S.N. 90/240-1910.

Lt. Col McPherson now strongly recommends that Mr. Bhopaul may now be promoted to the selection grade as in his opinion he is most worthy of promotion to that gra He has completed 20 years' service and is drawing a pay of Rs. 125/- per mensem in the scale of 75-5-175. The following table shows the present and proposed cost of th proposal:-

	Present scale.	Average cost. P.M. Rs.	Proposed scale.	Average cost P.M. Rs.	Dif -enc + P. R

The papers below may perhaps be sent U.O. to the Pay and Accounts Officer, Bangalore, with the request that he will be so good as to state whether the proposal can be sanctioned by the Hon'ble the Resident under rule 56 of the Book of Financial Powers.

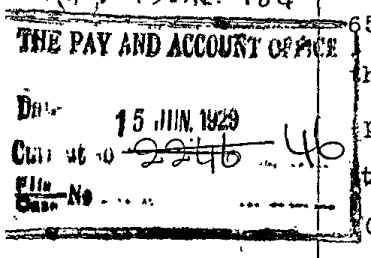
S.O. No. 72.N. 104



For the reason given in Resident's Proceedings 6565, dated the 7th August 1925, it appears that Rule 56 of the Book of Financial Powers cannot be applied in the present case to raise the pay of Mr. Bhupal Mudaliar to Rs.200/- per mensem, and that special sanction of the Government of India to create a selection grade for the Sub-Assistant Surgeons in Bangalore may be obtained. In Madras the number of posts in the selection grade for Sub-Assistant Surgeons (male and female) is 15% of the total strength of the service and the scale of pay is as follows:

S. N. 73/C

General scale Rs.75 - 5 - 175 with efficiency bars at.Rs.100 and Rs.150/-

Selection grade Rs.200/-

Promotion to the selection is restricted to Sub-Assistant Surgeons who have put in a service of not less than ten years and is granted with reference to ability and merit alone. The strength of Sub-Assistant

Surgeons (male and female) in the Bowring and Lady Curzon Hospital and Gosha Hospital is 5 on Rs.75-5-175 and if in case the Hon'ble the Resident is disposed to sanction the selection grade, it is desirable to have the per=centage of the total number of Sub-Assistant Surgeons eligible for promotion to the selection grade fixed.

The Secretary to the Resident, Bangalore. U.O. No. P.B./67 dated the 26th June 1929.

Please see Madras Government Order No. 911-P.H., dated the 7th August, 1921, in which the number of ---- appointments in the selection grade was fixed at 15% of the total strength of the service. If it is fixed here at 20%, one Sub-Assistant Surgeon out of 5 in the Station can be promoted to the selection grade.

Submitted for orders as to whether the Government of India may be addressed in the matter of creation of a selection grade for the Sub-Assistant Surgeons in the Bowring and Lady Curzon Hospitals and Gosha Hospital in the Civil and Military Station, Bangalore.

T. N. Thangavelu Mudaliar. 28-6-1929.

This resolves itself into a question whether or not we shd be justified in asking the Govt. of India to sanction a selection grade appointment for the Bowring and Lady Curzon and Gosha Hospitals, as opposed to rewarding the merits of an individual. Perhaps R.S. would kindly discuss this case at some convenient time.

SECRETARY.

Formerly there were 3 Sub-Assistant Surgeons in this Hospital and one of these was selected for Senior Grade. The last man who held this Selected post was Mr.M. Thackur Singh who retired in the year 1913. Owing to the retirement of other Sub-Assistant Surgeons on completion of their service younger men as e.g. Sub-Assistant Surgeo M.K.Bhopaul Mudaliar,D.K.Rama Rao and K.L.V.Annavi Iyer were entertained in their places and of these Mr.Bhopaul was first engaged and at that time as all were juniors,nc one could be chosen for Senior Grade.

There are now 7 Sub-Assistant Surgeons working under the orders of the Residency Surgeon, including 2 ir Gosha Hospital and 1 who is paid partly by Government and partly by the Station Municipality. Amongst these Mr. M.B Bhopaul is the senior, and has now put in 20 years and 4 months service. Had he been in Madras service,he would have already attained to Selection Grade to which he now aspires. If the percentage sanctioned for the Madras Sub-Assistant Surgeons were made applicable to Bangalore Ci Medical Institution i.e. 15 per cent. Sub-Assistant Surgeon Bhopaul Mudaliar would normally have merited Select to Senior Grade and would now be in the enjoyment of thai promotion. Under these circumstances I have the honour t request that the Hon'ble the Resident may be pleased to move the Government of India on this subject to secure such promotion. I am of opinion that it should not be s much a sanction of a Selection grade to be at the dispos of the Residency Surgeon, but a promotion for services rendered.

I think that we shd ask for a selection grade appointment - there seems to be justification for it and it need only be filled when there is a S.A.S. deserving of it.

But what would it cost ?

I have discussed this with the R.S. and have produced a draft which I hope may effect our purpose, but I cannot help being a little doubtful as the S.A.S. to be promoted is at present only at Rs125 in a time scale Rs75/5/175. I think that we must work both sides of the question into the draft, therefore, and not make too much of the personal issue - see R.S.'s note of the 24th August 1929.

The Residency Surgeon proposes the following:-

(1) Increase of special pay granted to Sub-Assistar Surgeon who does X-Ray work from Rs. 15/- to Rs. 25/- pe mensem

(2) Revision of the scale of fees fixed for the X-I Department.

(3) Distribution of 50% of fees realised from priva patients in the X-Ray Department among the Residency Surgeon and the Sub-Assistant Surgeon.

Item (1) can be sanctioned by the Hon'ble the ---- Resident under Rule 57 of the Book of Financial Powers. The Residency Surgeon may perhaps be asked to state --- whether the X-Ray work of the Sub-Assistant Surgeon in Bangalore is about the same as that falling to the Ooty Sub-Assistant Surgeon.

Item (2).

No specific orders of the Government of India are available. In 1925 the Government of India approved of certain amendments proposed by the Hon'ble the Resident in the rules for the levy of fees etc., in the Bowring a Lady Curzon Hospitals. -Vide S.N. 59 & 66/258-1921. Subject:-
X-ray allowance to the Radiologist of the Bowring Civil Hospital, Bangalore.

Sir,

S.N.86 (Paras 2)

At present the X-ray Sub-Assistant Surgeon in Bowring Civil Hospital gets Rs 15. as an allowance whereas unde Madras Government the Sub-Assistant Surgeons doing whole time X-ray work gets Rs 50. per mensem as an allowance and Rs 25 as part time allowance. In addition, out of the amount realised from X-ray work performed on private patients 50% is set apart by the Superintendent of the X-ray Establishme to be divided proportionately among the Staff of the X-ray Establishment(the Superintendent included).

I therefore request you will kindly obtain sancti of the Hon'ble the Resident in Mysore,Bangalore, to an increase in the rate of allowance to the Sub-Assistant Surgeo to Rs 25. instead of Rs 15. and also to allow 50 per cent of amount realised from Private patients to be distributed pro portionately by the Residency Surgeon (who is here the Supe intendent)the proportion being 30 per cent and 20 per cent respectively to Residency Surgeon and to the Sub-Assistant Surgeon Radiologist.

Vide Rule 16 of S.N.70 258-21.

Further it is advisable to modify the scale of fees in the Bowring Civil Hospital X-ray Department. The present

(26)

present practice is to charge Rs 10. for any number of examinations for one patient in a day. This is not reasonable, I recommend that the present charge of Rs 10. may be made for the first examination only and Rs 5. should be charged for each subsequent examination on the same day on the same case up to a maximum of Rs 30.

To

The Secretary to the Hon'ble the Resident in Mysore,

Bangalore.

Sir,

S.86.120 With reference to your endorsement No.4044, dated 16-5-30 forwarding a copy of letter No.92-94, dated 10-4-30 of the Residency Surgeon, Bangalore, I have the honour to offer the following

S.86.115 remarks:-

2. The Sub-Assistant Surgeon in the Madras Province who does part-time X-Ray work is the one stationed at Ootacamund. It may perhaps be ascertained whether the amount of X-Ray work of the Sub-Assistant Surgeon in Bangalore is about the same as that falling to the Ooty Sub-Assistant Surgeon, before the grant of the same scale of special pay is considered.

3. Under rule 57 of the Book of Financial Powers, the Hon'ble the Resident is competent to sanction the increase in special pay to the Sub-Assistant Surgeon.

S.N. 24 258/21 4. The orders authorising the Hon'ble the Resident to issue his Proceedings No.2092, dated 8-3-1923, and corrections thereto from time to time, are not available in this office. If there is any delegation given to the Hon'ble the Resident, a copy may kindly be sent for the information of this office. In the absence of any such specific orders the fixing of a revised scale of fee would seem to require the sanction of the Government of India.

5. Under Fundamental Rule 46-A, sanction of the Government

P.T.O.

of India would be necessary to permit the Sub-Assistant Surgeon, and the Residency Surgeon to divide between themselves 50 per cent of the fees realised. Before making a recommendation to the Government of India, however, the following points may be considered. The Radiologist in Madras is in charge of the X-Ray Institute, Madras, and 50 per cent of the fees received in that Institute is distributed to the staff in the Institute in proportions fixed by the Radiologis But although the supervision of the X-Ray installations in the Mufassal forms part of the Radiologist's duties, no part of the fees realised at the Madura or the Ooty Hospitals for X-raying patients i shared by the Radiologist.

5. The position of the Residency Surgeon, Bangalore, as Superintendent of the Sub-Assistant Surgeon Radiologist's work appea to be analogous to that of the Radiologist, Madras, in his relation to the X-Ray installations in the Mufassal stations. If so, it is for consideration whether the Residency Surgeon at Bangalore should receive any part of the fees realised in Bangalore. Perhaps (as) the actual work in connection with X-raying at Madura and Ooty is not done by the Radiologist, Madras, he receives no part of the fees recovered at those Hospitals.

6. Another point to cosider is what part of the fees, is the Sub-Assistant Surgeon at Ootacamund, who devotes part-time to X-Ray work, allowed to take. This may be ascertained, and either the same fraction or any other not exceeding 50 per cent of the total fees ma be recommended to the Government of India for being retained by the Sub-Assistant Surgeon.

I have the honour to be,

Sir,

Your most obedient servant,

Pay and Accounts Officer.

I have the honor to inform you that the rule, for special Investigation in sub para (a) of para 10 page 3 of the Proceedings of the Hon'ble the Resident in Mysore No 991 dated 1-2-26 in connexion with X-Ray examination, is not clear. There are instances in which more than one examination is to be done at a time. In such cases the rule is opened to objection whether the patients have to pay more than Rs 10/- . I therefore request you to kindly obtain sanction of the Hon'ble the Resident in Mysore for the following amendment to the rule

Proceedings of the Hon'ble the Resident in Mysore No 991 dated 1st Feb; 1926 Sub para (a) of para 10 page 3 .

Rules for the levy of fees in the Bowring and Lady Curzon Hospitals, Bangalore.

Sir,

S.N. 66 / 258-1921.

I have the honour to refer to paragraph 8 of your letter No. 425-E, dated the 28th December, 1925, approving certain amendments in the rules for the levy of fees etc., in the Bowri and Lady Curzon Hospitals, Bangalore.

S.N. 70 / 258-21.

2. I enclose a copy of the Resident's proceedings No.301, dated the 1st February, 1926, which contains the above rules, as subsequently amended. Rule 10(a) of the rules contains provision for levy of fees for special investigations in connection with X-Ray examination. This rule, as it stands, is not quite clear. There are instances in which more than one examination have to be done at a time and in such cases it is doubtful whether, or not, the patients have to pay more than Rs.10/-. I therefore recommend that the scale of fees prescribed in this rule for the X.Ray examination should be modified to read as follows:-

> "(a) X-Ray examination Rs.10/- for first examination and Rs.5/- for every subsequent examinations on the same day and in the same case up to a maximum of Rs.50".

S.N-121 / 240-1910.

3. The Pay and Accounts Officer, Bangalore, states that in the absence of any specific orders authorising the Residency

make rules for the levy of fees in the Bowring and Lady Curzon Hospitals, Bangalore and issue corrections thereto from time to time, the fixing of a revised scale of fee would require the sanction of the Government of India. I request that the Government of India may be pleased to sanction the amendment proposed and to empower me to make additions and alterations to the rules in question whenever it may be necessary to do so.

Sir,

I have the honour to inform you that at present the fees realized from X-Ray work performed for private patients in the Bowring and Lady Curzon Hospitals, Bangalore, are credited to Government in full, but that I recommend that in future 50% of the fees so collected may be paid to the staff of the X-Ray and Electrical Departments in the Bowring and Lady Curzon Hospitals, Bangalore.
